Dear Mr. Kubačka,

We would like to thank you for your interest about the creation of a scientific museum in our area.

We send you the plan and the measures of the school building.

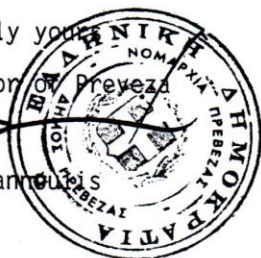

We have to tell you that we are planning to make some changes in the interior of the building and it will be very useful to have your ideas about it.

We are looking forward to your further co-operation.

Sincerely yours,

The Mayor of Preveza

Nikos Yannoulis
